Behind the Scenes

The inspiration for Juniper Springs came from my own experiences growing up in a small town. I wanted to write a story that captured the charm and the challenges of life in a close-knit community.

The characters of Mia and Jake were inspired by real-life people I know. Mia's passion for books and her independent spirit are traits I admire in

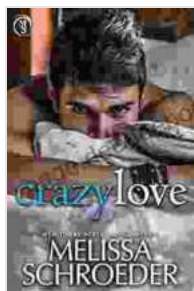

many women I've met. Jake's charm and his desire to do what's best for his town are qualities I've seen in many small-town leaders.

I hope that readers will enjoy escaping to Juniper Springs and falling in love with Mia and Jake's story.
