

George Washington: A Model of Leadership

Richard Brookhiser

George Washington, the first president of the United States, is widely regarded as one of the greatest leaders in American history. In his book "Washington on Leadership," Richard Brookhiser explores the leadership qualities that made Washington so successful. Brookhiser argues that Washington's leadership was based on a combination of character, intellect, and experience.

Washington was a man of great character. He was honest, courageous, and determined. He was also a man of integrity. He always kept his word, even when it was difficult to do so. Washington's character was a major factor in his success as a leader.
